PRODUCT DETAILS

DEEP BASS
Feel the rumble that moves you. This subwoofer delivers exceptional bass that transforms movie night into a main stage experience. Enjoy power and precision that provides the perfect extension to your soundbar’s performance.

WIRELESS CONNECTION
No cords. No clutter. Just pure, untethered sound. Enjoy a bigger, bolder home audio experience powered by the latest Bluetooth LE Audio wireless technology. Effortlessly pair with our soundbar range so you can forget the set-up hassle and focus only on the best sound.

VERSATILE PLACEMENT
Proudly position this subwoofer where it sounds best and let depth, impact, and audio authority take over. Heston Sub 200 offers a different level of bass performance. Wherever you move it in the room, you’ll still feel the shake. This is deep, unrestricted bass freedom.

MARSHALL APP
Easily control your subwoofer’s performance with the Marshall app. Instantly pair and start fine-tuning your sound. Already a Heston soundbar owner? This subwoofer fits right into your existing set-up, keeping everything running in one intuitive place. Whether you prefer booming bass or a subtle shake, dial it in your way. Your sound. Your rules.
