Cuisinart Conical Burr Coffee Grinder

256328

- CUSTOMISED PRECISION FOR EVERY BREW: 35 grind settings give you complete control over your coffee – from ultra-fine for a bold, intense espresso to extra-coarse for a smooth French press. The adjustable 1–14 cup selector lets you grind exactly what you need.
- FRESHNESS IN EVERY GRIND: The removable 225g bean hopper keeps your beans at their peak, with a silicone-sealed lid that locks in freshness so every grind starts with full flavour.
- MESS-FREE CONVENIENCE WITH ANTI-STATIC TECHNOLOGY: Anti-static technology prevents grounds from clinging to surfaces, reducing waste and keeping countertops clean for effortless cleanup.
- ESPRESSO-READY DESIGN FOR COFFEE LOVERS: Built with espresso enthusiasts in mind, this grinder is portafilter compatible, making it easy to grind directly into your machine’s portafilter.
- SMART, PRACTICAL FEATURES FOR EVERYDAY EASE: A large grounds container allows multiple servings, while integrated cord storage keeps your countertop tidy. The included scoop and cleaning brush make maintenance simple, so your grinder stays in top condition.

PRODUCT DETAILS

Enjoy the perfect grind made easy with the Cuisinart Espresso & Coffee Conical Burr Grinder, a professional-quality essential for anyone who loves rich, flavourful coffee. Its advanced conical burr design ensures an even grind while reducing heat, preserving the full aroma and robust taste of your beans for an exceptional brew every time.

With 35 precise grind settings, you can customise your coffee to suit any brewing method, from ultra-fine for a bold espresso to extra-coarse for a smooth French press. The adjustable cup selector makes it simple to grind just the right amount, whether you need a single cup or enough for fourteen, and a manual option gives you complete control over the process.
