

PUSH 720 OPEN EAR TWS BONE/GOLD

255380

Push 720 Open redefines the way you experience audio, seamlessly blending your digital and physical worlds. Enjoy music or podcasts all day while staying tuned-in to what's going on around you. Push 720 Open is lightweight, waterproof, comfortable and extremely stable, so you can chat, take calls, play outside and even work out without ever pressing pause.

Farve

PRODUCT DETAILS

OPEN BY DESIGN. LOUD BY NATURE

Push 720 Open keeps your ears free and your sound fully loaded. The open-ear design lets you stay tuned into your surroundings while 12mm drivers deliver serious audio firepower. Awareness never sounded this good.

MOVES WITH YOU. STAYS WITH YOU

Lightweight, secure, and built to move—these buds won't bounce when you do. Designed for all-day comfort and a no-slip fit, Push 720 Open keeps up with every hustle. No adjustments needed, just pure flow.

TOUGH ENOUGH FOR WHATEVER

IP67 waterproof and sweatproof, Push 720 Open is ready to go all in—rain or shine. Whether you're working out, playing hard, or caught in the wild, it's built to keep up. Rugged meets real-world ready.

TAP, TUNE, TRANSFORM

Enhance your listening experience with the Skullcandy App. Customize EQs or chose from presets, configure button settings and trigger a photo from your earbud.
