PRODUCT DETAILS

Form and function
The Thule Lithos Collection combines modern aesthetics with outdoor-inspired utility. Structured shaping, ripstop material and bold webbing are among the details that allow you to carry these bags effortlessly from the beach to the city, from class to coffee, or from campus to home.

High-quality design
Combining classic shapes with high-quality materials, the Thule Lithos Collection appeals in particular to university students looking for a long-lasting and reliable backpack.

Secure organization panel
Vertical zip front pocket expands to quickly access a phone or other small accessories while the organization panel stays closed due to the magnetic flap for added security.

Protection and organization
Protect a laptop up to 15.6” in a padded pocket, store a tablet in a dedicated slip pocket and keep keys and smaller items safe and easy to locate in a zipped interior mesh pocket.

Carry in comfort
Contoured shoulder straps and a cushioned, breathable, mesh back panel make any commute comfortable.
