PRODUKTSPECIFIKATION

Intelligent Flight, Effortless Control:
Take the stress out of piloting. With pre-programmed flight paths such as Hover, Follow, Zoom Out, Orbit, and Bird's Eye, the HOVERAir X1 lets you capture cinematic shots hands-free. Switch to Manual Control through the Hover X1 App whenever you want to tailor the flight to your vision. Each battery powers up to 20 intelligent flights (11 minutes), so every second is dedicated to creating share-worthy content.

Stunning Image & Video Quality:
Record your adventures in crisp 2.7K at 30fps or vibrant 1080P HDR. A triple stabilization system delivers smooth footage and keeps fast-moving subjects sharp—perfect for hikes, bike rides, and city explorations.

Create, Preview, and Share in Seconds:
See exactly what your drone sees with live previews in the Hover X1 App. After your flight, download photos and videos directly to your phone and share with a single tap on Instagram, Facebook, or other platforms. Whether you're a vlogger, traveler, or weekend explorer, the X1 makes content creation effortless.

Built-In Storage with Privacy Protection:
The X1's 32GB internal memory eliminates the need for SD cards while ensuring your content stays private and secure. Transfer your creations instantly through the App or by connecting the drone to your computer—your memories remain fully under your control.

Safe, Compact, and Adventure-Ready:
With its fully enclosed design and integrated safety guards, the X1 is safe to use around both adults and children. Lightweight and portable, it's always ready to capture close-range action without compromise.

What's In The Box:

- HOVERAir X1 ×1
- Charging Hub ×1
- Battery ×2
- Combo Case ×1
- USB-C Cable ×1
- Storage Bag ×1
- User Manual ×1
