

# BladeCine BladeCine Cube 600 True 600 ISO Lumens ,Grey

254337

True 600 ISO Lumens Brightness You Can Trust The Cube 600 achieves its impressive brightness through a specially designed, industry-leading high-transparency pure glass panel, offering more than 30% higher light transmission compared to conventional resin or semi-resin panels. With 600 ISO lumens of true brightness and native 1080P resolution, it brings you crystal-clear, vibrant images for an immersive viewing experience every time.

Farve

## PRODUCT DETAILS

### Dust-proof Fully Sealed Optical Engine

Say goodbye to the high maintenance costs and hassles of traditional open optical engines. The Cube 600's advanced Dust-proof Fully Sealed Optical Engine keeps your projector free of black spots.

### Exclusive Thermoelectric Cooler

Unlike traditional projectors that rely on fan cooling, the Cube 600 features an exclusive Thermoelectric Cooler that boosts cooling efficiency by over 50%. It's the ultimate solution for burn-in issues on LCD projectors.

### Netflix and More

Power on and instantly immerse yourself in streaming favorites like Netflix, Prime Video, and YouTube, all pre-loaded and ready to play.

### Smart System

Let our advanced smart system manage the settings while you kick back and experience flawless projection with no fuss.

### Immersive Dolby Audio

Feel every beat with Extra Bass that boosts the 3D stereo effect, creating a fully immersive Dolby Audio experience through powerful dual 10W speakers.

### Whisper-Quiet Operation

Enjoy a distraction-free viewing experience with our independent fan system, designed to operate

below 26dB.

### **Effortless Backlit Remote Control**

With a backlit remote and dual IR receivers, the power to control your projector is always at your fingertips - no matter where you're standing, no matter the light conditions

### **Portable EPP Case**

Effortlessly take your projector anywhere - from camping trips to business meetings - with the durable and lightweight EPP case, designed for superior protection.

### **What's in the box**

- Cube 600
- IR Backlight Remote
- Power Cable
- 360° Adjustable Gimbal
- Carry Case

## **Specs**

### **Product Attributes**

EAN:	0850067089001
Manufacturer number:	CUBE 600 GREY
Product weight:	4.5 kilograms

### **Picture & Display**

Max. resolution:	1080p Full HD
Display chip:	0.23" DMD
Brightness:	600 ISO Lumen
Contrast ratio:	2000:1
