Skullcandy MOD true wireless earbuds, 34h battery, Grey

254140

Meet Mod — the premium earbud with high-end features and a mid-level price. Mod lets you customize your button settings and EQs, adjust outside noise levels with Stay-Aware Mode and connect to multiple devices at once. Plus, a Clear Voice Smart Mic in each bud reduces background noise for crystal-clear calls.

PRODUKTDDETAILS

SUPREME SOUND™

Mod features specifically selected, expertly tuned drivers and a noise-reducing Clear Voice Smart Mic in each bud to deliver the best audio quality for any music genre or media. Preset and custom EQs and Stay-Aware Mode let you hear your audio exactly how you like it.

FEARLESS USE™

Mod is built to last. It features Tile™ finding technology and an efficient battery that provides 34 hours of listening time between the buds and the case. Mod also boasts IP55 sweat- and water-resistance, so it can handle the most intense gym days or rugged adventures without missing a beat.

SIMPLIFY YOUR LISTENING™

Mod is equipped with Bluetooth 5.2 technology and Multipoint Pairing, which makes it possible to pair to multiple devices at once. Skullcandy App compatibility allows you to make Mod intuitively yours with customizable button functions and EQ modes.
