

Marshall

Marshall Mode USB-C, Black

256221

Mode offers huge sound in a small package. Customised drivers deliver high-output sound at minimal distortion. With unique in-ear design that anchors to your ear, mode comes with four different size sleeves allowing you to find the perfect fit. The mode also comes equipped with microphone and remote. Combined with excellent audio, a tangle resistant cord and unique styling that embodies the marshall legacy

PRODUCT DETAILS

BIG SOUND, SMALL PACKAGE

Mode's compact design and maximum sound output might make them the best in-ears on the planet. Customised drivers have been fitted into Mode's tiny frame to produce a well-balanced audio that boast a clear midrange, extended highs and deep bass.

MICROPHONE & REMOTE

Using Mode to receive phone calls and control music is a breeze. Click once to answer incoming calls or hang up, as well as play and pause your music. Click twice to fast-forward your music, click three times to go back.

MARSHALL DESIGN

Mode features the iconic Marshall logo on the cable clip and Marshall M logo on its earphones.

THE PERFECT FIT

Ears come in all shapes and sizes, which is why Mode comes with four different size sleeves in order for you to find the perfect fit.

DURABLE CONNECTION

Mode's L-plug design offers a more durable connection to your device. The plug is compatible with any music player that receives a 3.5 mm jack.

NO MORE TANGLES

Having to untangle your headphone cord is rubbish, which is why Mode comes with a rubber-coated tangle-resistant cord.

Included in the box:

- Mode in-ear headphone
- Size sleeves (S,M,L)
- User manual with legal and safety information
