PRODUCT DETAILS

Long Battery Life
Sound that keeps up. Enjoy 8.5+ hours of playtime per earbud and 35+ hours total with the slim charging case so you go the distance without missing a beat.

Noise Canceling Quiet
Block out the world or stay tuned in to it. ANC On kills distractions. Be Aware mode lets outside sound in for outdoor runs. Enable Wind Noise Reduction in the JLab App to automatically filter out wind and stay locked in. Dial in all your settings through the JLab App.

Customize Your Sound
Your workout, your sound. Control EQ, touch controls, noise canceling, Be Aware, JLab Spatial Audio, and a built-in workout timer through the JLab App. Available on App Store and Google Play.

Connect to Multiple Devices
Stay connected without skipping a beat. Bluetooth Multipoint lets you hop from a podcast on your laptop to a call on your phone without missing a moment. Connect to two devices simultaneously and move between them seamlessly.

IP55 Sweat and Splashproof
Built for every run, ride, and rep. GO Sport ANC is sweat and splashproof with an IP55 rating so it keeps up no matter where your workout takes you.

Clear Calls
Two noise canceling mics make sure your voice cuts through whether you're mid-run or in a crowded gym. Every call comes through loud and clear.
