We Are Rewind Wireless headphones EQ-001

253692

Get the complete retro look by pairing your WE-001 cassette player with the EQ-001 wireless headphones from We Are Rewind! Bringing 12 hours of wireless audio, and integrated microphone and 3 different preset equalizer modes, they work just as fine with your smartphone.

PRODUCT DETAILS

Interchangeable ear cushions

Find the style that suits you best, thanks to 3 interchangeable ear cushions (orange, yellow and black), and let the nostalgia flow.

Listen for hours

Lightweight and comfortable thanks to its adjustable headband, the EQ-001 has a 12-hour Bluetooth battery life. So you can listen to your favorite mixtapes without strain.

Built-in equalizer

As for sound, you can personalize your listening experience by choosing from 3 different equalizer modes: "Signature", "Balanced" and "Bass Boost".

"GO" button

Compatible with our WE-001 cassette players, you can also use these headphones with your smartphone. Listen to your music, pause it, answer a call, hang up... all with a simple click on the "GO" button.

Integrated microphone

Last but not least: a double-click microphone and an integrated digital MEMS microphone make it easy to activate and deactivate Siri, Google Assistant and other voice assistants.

What's in the box
