

JisuLife

JisuLife Handheld Fan 4, Grey

256550

Powerful portable fan with versatile handheld and desktop use. Powered by an upgraded brushless motor and turbine system, this compact fan delivers strong, widereaching airflow with five adjustable wind speeds. The builtin LED display shows realtime battery status, while the 3600mAh rechargeable battery provides up to 12 hours of cooling. Designed for safety and convenience, it features a dedicated on/off switch, protective grilles, stable base, and carrying lanyard, making it ideal for work, travel, makeup application, workouts, and everyday summer cooling.

Colour

PRODUCT DETAILS

Upgraded Motor for Stronger and Wider Airflow
Powered by an advanced turbine system and an upgraded brushless DC motor, this fan delivers focused airflow with greater strength and reach. Enjoy a powerful, refreshing breeze wherever you are.

Real-Time Battery Display
The handheld fan is equipped with a convenient LED display that clearly shows the remaining battery level, making it easy to monitor power and recharge in time without any guesswork.

3600mAh Battery for Long-Lasting Use
With a built-in 3600mAh rechargeable battery, this portable fan provides up to 12 hours of operation on a full charge, offering reliable cooling performance throughout the day.

5 Adjustable Wind Speeds
Choose from five different airflow levels, ranging from a gentle breeze to strong turbo wind. Simply press the button to switch speeds and find the perfect cooling level for hot summer days.

Thoughtful Design with Added Safety
Designed with practicality in mind, the fan includes a hanging lanyard for easy carrying, a dedicated on/off switch to avoid accidental activation, and protective grilles to help prevent fingers from touching the blades.

Handheld or Desktop Use

This versatile fan works both as a handheld cooling device and a desk fan. The stable base allows it to stand securely on a table while you work or apply makeup, while its compact design makes it perfect for portable use.

Your Portable Cooling Essential
Lightweight and compact, this fan is perfect for travel, camping, and outdoor activities. Use it at the office during long workdays, while getting ready to keep makeup fresh, during workouts, or anytime you need instant cooling.

A Great Gift for Any Occasion
This fan makes a thoughtful gift for holidays and special occasions such as Easter, Thanksgiving, Christmas, or White Elephant exchanges. A practical choice for women, men, kids, teens, students, coworkers, teachers, and friends.
