Ledger Nano Gen5 Magnet Folio, Aubergine

255884

Durable protection to take your Ledger Nano™ Gen5 signer everywhere, in style.

Colour

PRODUCT DETAILS

The protection your Ledger Nano™ device deserves

A magnetic case that helps prevent scratches and keeps your Ledger sheltered.

Attach or detach anytime with magnetic integration

Magnets on both the Ledger Nano™ touchscreen signer and the protective Magnet Folio create a seamless connection between the two, ensuring the folio attaches firmly. Attach or detach them whenever you want.

Durable nylon to avoid scratches & gentle microfiber for display protection
