

Rollcage Protective Sleeve & Lens for HERO8

248859

Keep your HERO8 Black safe and scratch-free with Rollcage. The protective sleeve safeguards the camera body from scratches and impact, and the integrated, replaceable lens protects the camera lens from scratches, dirt and debris.

PRODUCT DETAILS

Keep your HERO8 Black safe and scratch-free with Rollcage. The protective silicone sleeve wraps around the camera safeguarding it from scratches and impact. The sleeve allows access to the camera buttons, front and rear screens, and the built-in folding fingers for easy mounting. Plus, it won't interfere with the mic so you can capture awesome audio. The integrated replaceable lens protects your camera lens from scratches, dirt and debris (Not for underwater use. Image quality may be affected). Planning to get a little gnarly? No worries—if anything happens to the integrated lens you can easily replace it (Rollcage Protective Lens Replacements sold separately).

Features

- Protective silicone sleeve safeguards the camera body from scratches and impact
- Sleeve allows easy access to camera buttons, screens and folding fingers
- Sleeve won't interfere with camera mic, ensuring uninterrupted audio capture
- Integrated replaceable lens safeguards your camera lens from scratches, dirt and debris
- Integrated lens can be easily replaced in case of damage
