

Wilfa Grand Double waffle iron, 2x 22cm Waffles

255482

The Grand Double waffle iron is the ultimate choice for baking large, crispy, golden waffles. Its smart features and thoughtful design ensure even cooking and a perfectly crisp texture, making every waffle a delightful experience. With the grand double, you can elevate your waffle moments to new heights, whether for everyday treats or special celebrations.

PRODUCT DETAILS

Double waffle delight

Bake two large waffles at once – each waffle features 6 heart shapes with an impressive diameter of 20.5 cm. Enjoy golden waffles with a crispy exterior and a fluffy interior, perfect for sharing with family and friends.

Adjustable baking for perfect waffles

With five adjustable heat settings, you can easily customize the baking level of your waffles – from light golden to deep golden brown. A sound signal and indicator light ensure you always know when the waffle iron is ready and when your waffles are done, eliminating the need to open and check.

Even batter distribution and crispy texture

The cone-shaped plates evenly distribute batter, producing waffles with consistent thickness and a perfectly cooked surface. Steam vents release excess moisture, creating a delightfully crispy and crunchy exterior.

Easy to use and clean

The double non-stick coating ensures waffles release effortlessly without extra grease, and the included batter scoop helps you measure the perfect amount of batter – no mess or spills.

Smart and compact storage

Save valuable kitchen space. The waffle iron is designed to stand upright, making it easy to store in your cabinet when not in use.
