

GoPro Universal Adhesive Mount 2-Pack

257398

Attach your GoPro to helmets, drones, snowboards and more to capture immersive point-of-view footage and see things from amazing new perspectives. This versatile mount has a flexible buckle base that easily sticks to a wide variety of curved and flat surfaces with an industrial-strength waterproof adhesive that's strong enough to support the weight of your camera and accessories.

PRODUCT DETAILS

Features & Benefits

Flexible Mounting Base

Flexible mounting buckle base can be used to securely mount your GoPro to a wide variety of curved and flat surfaces.

Industrial-Strength Waterproof Adhesive

Industrial-strength waterproof adhesive is strong enough for heavier camera setups and ensures secure mounting even during high-vibration activities.

Standard Compatibility

Can be combined with any GoPro mount with a standard GoPro mounting buckle.

Easy Removal

Removable by applying heat to the adhesive bond and peeling off the mount.

Lifetime Warranty

Backed by GoPro's Lifetime Warranty.

Global Production

Designed in the USA, assembled globally.

What's Included

- 2 Universal Adhesive Mounts

Compatibility & Notes

- **Compatibility:** All GoPro Cameras
- **Note:** Apply mount to a clean, smooth surface (non-porous and non-textured) and let it sit at room temperature for at least 24 hours to ensure it sticks properly. Always select a helmet that meets the applicable safety standard when you use a helmet with a GoPro mount. Always follow the helmet manufacturer's instructions on safe helmet use.
