PRODUCT DETAILS

INCREDIBLE THROUGH AND THROUGH.

Discover the beauty of the songs you've heard a thousand times with the ultra-sound of Phantom Premier. From deep basses to high notes, exceptional dynamics without distortion, tonal saturation or background noise, up to 4,500 watts and 108 decibels. A revolutionary emotional experience.

AT THE PULSE OF THE REVOLUTION.

Phantom Premier embodies Devialet's idea of progress: making the emotion of high-fidelity sound accessible to the widest possible audience.

ADH®, SAM®, HBI®, ACE® its performance is the result of several revolutionary and patented inventions that improve performance at all stages of sound reproduction by ten to thousandfold. Phantom Premier is forever changing the world of sound. "

YOUR MUSIC AS YOU WANT TO HEAR IT.

You listen to your music in your own way. With Phantom Premier speakers, you have unlimited access to all of your locally stored music, online music services (Deezer, Spotify, Qobuz, TIDAL ...), video streaming services (Youtube, Netflix ...) and all WebRadios and podcasts. You decide what works.

INCREDIBLE SOUND, TAILOR-MADE

Whether solo, duo or multiroom, you create the ultimate sound experience according to your wishes.

Regardless of its configuration, the Phantom Premier offers an extraordinary emotional experience. The unique spherical acoustic architecture creates a perfectly homogeneous sound that fills your space, regardless of its size.
