PRODUCT DETAILS

Perfect light, professional results

The EC by Star provides the right light, the right angle, and the right focus for an even, precise result. With adjustable LED light, a magnifying mirror, and a phone holder, you have every detail under control.

Benefits of the EC Star Vanity Mirror

Precise & customizable light with stepless brightness control for every situation. Choose between:

- Warm (3000 K)
- Neutral (4500 K)
- Daylight White (7500 K)

The brightness is infinitely adjusted via the "P" touch button.

5x magnification for details

The included suction cup magnifying mirror makes precise work on eyebrows, eyeliner, or skincare easy.

Optimal viewing angles

Always the perfect view thanks to the adjustable tilt angle – whether sitting, standing, or doing detailed work.

Phone holder & USB charging

Integrated USB and USB-C ports for charging your devices. The phone holder can be attached to the mirror – ideal for tutorials or video calls while styling.

Design inspired by makeup artists

15 powerful LED bulbs and a large, sleek mirror design meet the highest standards.
