PRODUCT DETAILS

In nature, during sports or when travelling, there are often only a few seconds to discover exciting details in the distance. Those who have to search for their binoculars in their backpacks at such moments usually miss out on the best that life has to offer. With the highquality GOVIEW® PORTR™ carrying strap and the intelligent click connection, GOVIEW® ZOOMR™ binoculars and monoculars are focused on the subject within moments. And best of all: a GOVIEW® PORTR™ is included with all our GOVIEW® ZOOMR™ products. And with its two universal clips, it is also suitable for all photographers: The strap can therefore also be used for other products - such as cameras.
