Simply power on and enjoy a flawlessly adjusted picture in seconds– all with the power of CMOS and AI.

Big Screen, Small Footprint
Sleek and perfectly sized for one-handed carry, take the big-screen visuals wherever adventure calls. * This model does not have a built-in battery and must be connected to a power source.

Sound as Big as the Picture
Hear every detail, from crystal-clear dialogue to deep, resonant bass, all delivered by built-in speakers and a spacious sound chamber.

Ceiling Cinema Bliss
Project onto any wall, now even your ceiling! With 210° tilt range, immersive experience is always ready no matter you are on your sofa or in bed.

Whisper Quiet Immersion
Escape into your entertainment without the distraction of whirring fans, as it operates at less than 26dB - just a little louder than rustling leaves.

Cast & Mirror with Ease
Effortlessly cast movies, shows, and games from your phone, tablet, etc., or mirror the entire screen. No cables needed.
