PRODUCT DETAILS

50+ hours of wireless playtime

Indulge in endless entertainment with JBUDDIES POP 2 in 1 Wireless + Wired Kids Headphones, boasting an impressive 50+ hours of wireless playtime. Whether it's long road trips, studying, or simply enjoying music at home, these headphones ensure hours of uninterrupted fun without worrying about battery life.

Listen wired via 3.5mm or wireless Bluetooth

Experience ultimate flexibility with the ability to listen wired via the 3.5mm jack or effortlessly switch to wireless Bluetooth mode. This versatility allows for seamless connectivity to a variety of devices, catering to different preferences and situations.

Connect two via wireless share mode

Enhance the fun and foster shared experiences with the exclusive wireless share mode, enabling two devices to connect simultaneously. Now, kids can enjoy their favorite tunes or watch movies together, whether at home, on a plane, or during a car ride.

Volume safe setting for 85 dB or 95 dB

Prioritize your child's hearing health with adjustable volume-safe settings, offering a choice between 85 dB or 95 dB. With built-in regulators, these headphones ensure safe listening in any environment, providing parents with peace of mind.

Cloud Foam earcups and headband

Delight in luxurious comfort during extended wear with Cloud Foam earcups and a Cloud Foam headband. Designed to provide plush cushioning for young ears and heads, these headphones offer a snug and cozy fit for hours of enjoyment.

Adjustable, Compact, foldable design

Experience convenience and portability with the adjustable, compact, and foldable design of these headphones. Perfect for kids' on-the-go adventures, they easily fold up to fit snugly in any backpack or bag, ensuring they're always ready for the next adventure.
