momcozy

Momcozy Multi-Care CreamPen Combo Pack 2x20g

256980

The Momcozy Nipple Care Pen brings together refillable nipple cream, soothing warmth, cooling relief, and gentle micro-vibration in a single portable device. Compact and easy to carry, it provides convenient, all-in-one nipple care at home or on the go.

PRODUCT DETAILS

Size REFILL PACK 20G, SINGLE UNIT 20G, **COMBO PACK 2X20G**

Features:

- **3 Active Care Modes** - Built for every stage of your breastfeeding routine, offering targeted comfort and support whenever you need it.
- **Cooling Mode** - Provides sore nipple relief after nursing or pumping with **59°F physical cooling comfort** and a noticeable cool sensation in just 3 seconds, ideal for soothing sore and tender nipples.
- **Warm Mode** - Supports milk let-down before nursing or pumping. The **104°F gentle warmth** reaches a noticeable temperature in 5–8 seconds, helping relax tension and encourage easier milk flow before feeding.
- **Vibration Mode** - Delivers smoother, more comfortable pumping and breastfeeding with **15,000 RPM soft micro-vibration** for a gentler nursing and pumping experience.
- **One-Button Simplicity** - Instantly switch between Cooling, Warm, and Vibration modes with a single press, making operation intuitive and effortless, even during late-night feeds or when one hand is occupied.
- **USB-C Rechargeable & Portable** - Charges via a universal Type-C cable for convenient on-the-go use. A full charge delivers up to **5.5+ hours in Vibration Mode**, **2.5+ hours in Warm Mode**, and **50+ minutes of continuous Cooling Mode**.
- **Wipe-Clean, Splash-Resistant Design** - Built to handle the demands of everyday breastfeeding. Simply wipe clean after each use for easy maintenance and reliable daily care.
