

Wilfa 3-in-1 Stick Mixer, Blender and Chopper

251940

The Wilfa 3-in-1 mixer is a versatile mixer and blender with highly adjustable speed, rubberized grip for easy handling, and 700 W motor. Perfect for mixing, whisking and chopping.

PRODUCT DETAILS

The Wilfa hand blender SM1FP features a powerful 700-watt motor that allows ingredients to be mixed evenly regardless of resistance. A speed controller with infinitely variable speed allows for nearly any kind of mixing or blending, making it the perfect tool for making soup, chopping vegetables or whisking ingredients together.

Rubberized grip

Thanks to the rubberized grip you can avoid a slippery handling, for example if you have wet hands.

Versatile vessel

The product is supplied with a mixing vessel in which you can measure whatever you are preparing. The vessels also come with a rubber lid that can be used as a base, making sure that your vessels stays put during mixing or blending.

Easy cleaning

The individual parts are removable and dishwasher safe, allowing for very comfortable cleaning of the 3-in-1 mixer.
