Wilfa Zense Coffee Grinder. 40mm flat burrs, 30 grind settings

255211

Want to get the most flavour out of your coffee? The Zense coffee grinder is a smart choice for those who want to grind coffee at home and bring out the best in fresh coffee beans. With 30 settings, durable steel burrs, and a user-friendly design, you always get the perfect grind size – tailored to your preferred brewing method. Zense gives you full control, even grinding, and professional quality in a sleek and compact solution. Easy to use, suitable for all brewing methods, and developed to enhance the natural aroma of your coffee.

PRODUCT DETAILS

Why Zense is a smart choice

- 30 adjustable settings: from finely ground espresso to coarse French press
- 40 mm stainless steel burrs: for precise and even grinding
- Compact and sleek: fits in any kitchen
- User-friendly: one-button operation and automatic stop

Perfect for all brewing methods
Different brewing methods require different grind sizes. Zense lets you adjust the grind exactly as you want – whether you're using an Aeropress, pour-over, filter coffee, or French press. The result is consistent grinding that delivers maximum aroma and taste in your cup.

Convenient and mess-free grinding
With Zense, you can grind beans directly into your portafilter (not included) – a simple and practical solution that reduces mess and saves time.

Smart design for coffee lovers

- Anti-static system minimizes coffee dust
- Metal container reduces mess and keeps coffee fresh longer
- Automatic stop when grinding is complete

Quality you can trust
Zense is one of the few coffee grinders approved by the ECBC – a mark of quality that confirms high precision and authentic coffee flavour. A reliable choice if you're looking for a best-in-test coffee grinder.

Unlock the flavour in every bean
Coffee tastes best when ground just before brewing. With Zense, up to 800 aromatic flavour compounds are preserved – compared to pre-ground coffee, which quickly loses much of its taste. The sealed bean container protects against light and air, keeping your coffee fresh longer.

Additional Information:

- Color: Black
- Material: Plastic
- ECBC approved: Yes
- Settings: 30 grinding levels
- Other information: 40mm wide flat stainless steel blades
- Auto off function: Yes
