PRODUCT DETAILS

Introducing the Cuisinart Deluxe Ice Cream Machine - your ticket to homemade frozen delights! With unbeatable taste and convenience, you can use this handy piece of kit as an ice cream maker, sorbet maker, frozen yogurt maker, and more! Easy-to-use, and with a generous capacity, you can whip up to 2 litres of delicious frozen dessert in as little as 25 minutes.

The process is a breeze: simply freeze the 2-litre bowl overnight, add your ingredients, and switch on the fully automatic ice cream machine. It will churn your ingredients to perfection, giving you creamy, dreamy results every time. Plus, you can customise your creations by adding extra toppings like nuts, chocolate chips, fruit pieces, or sauces through the lid during mixing.

Clean-up is easy too, thanks to the removable bowl, lid, and paddle.

But the fun doesn't stop there! With homemade ice cream, the sky's the limit when it comes to flavours and ingredients. Experiment with vegan or dairy-free recipes for alternative frozen delights. Whether you're craving classic ice cream, healthier frozen yogurt, or refreshing sorbet, Cuisinart has you covered.

Perfect for family desserts or entertaining guests, and with a quick pre-freeze of the bowl (at least 12 hours, preferably overnight), you'll always be ready to churn out your favourite frozen treats. This is the ice cream maker that will truly elevate your dessert game to a whole new level.
