

Véritable

Véritable Botaneo Indoor Garden

254310

Botaneo EYLO is an autonomous and compact indoor garden. Compatible with our Lingots®, you can harvest aromatic herbs, edible flowers, mini vegetables and many other species all year round. Each garden is delivered with 2 Lingots®.

PRODUCT DETAILS

Simple & effortless

The indoor garden Botaneo Eylo makes it easy to use 2 plants all year round. Each garden is equipped with 2 lingots: basil and frizz parsley.

Efficient LED lighting

a spectrum of light adapted to edible plants that accelerates growth and develops aromas. 16 hours on/8 hours off 1 adjustable light pole to adjust to the speed of plant growth.

Autonomous up to 4 weeks

The garden provides your plants with light, water and nutrients. Environmentally friendly: ecologically designed packaging, recyclable products, biodegradable and compostable refills. Energy efficient thanks to LED technology.
