#### PRODUCT DETAILS

### Designed for life on the go

Size **75CM**, 68CM, 55CM WIDEBODY

Due to its durably constructed frame and Thule-exclusive 8-wheel system for easy navigation and maximized interior space, Thule Revolve is ideal for the frequent traveler. This careful balance of form and function delivers a stylish collection focused on everyday use and design aesthetics that are built to last.

#### **Effortless Navigation**

The telescoping handle minimizes sway and efficiently transfers power to the wheels. Oversized rear wheels easily glide over any terrain, from carpet to cobblestone.

## **Durable Construction**

Thule's lightweight, stylish and impact-resistant luggage includes internal corner protectors, a rigid frame and a reinforcing front panel for added protection and is made from 100 % virgin polycarbonate.

# Maximum packing space

All your belongings are protected while traveling with this Thule Revolve model featuring custom-fitted felt lining that keeps contents in place while maximizing packing space.
