

JLab Epic Mechanical Keyboard Black

254367

The Epic Mechanical Keyboard is your productivity tool for a smooth workday. The quiet mechanical switches provide a pleasant tactile typing experience that keeps you focused and engaged, while the illuminated backlighting shows you the way. Seamlessly switch between laptop, phone, and tablet to maintain your workflow and productivity. With a long-lasting battery and customizable features via the desktop app, the Epic Mechanical Keyboard is your ultimate productivity companion, empowering you to take on any task with confidence and finesse, no matter what operating system you use.

PRODUCT DETAILS

FLEXIBLE CONNECTIONS
The Epic Mechanical Keyboard is compatible with three—count ‘em, three!—device connection options. You can pair with nearly any type of device using Bluetooth 5.2, or USB. We hate pairing confusion too, so we made it super easy for you to switch between saved devices.

MECHANICAL KEYS & BACKLIGHT
Enjoy the satisfying feel of quiet mechanical switches that deliver a tactile typing experience while minimizing noise, allowing you to focus on your work without distractions. The illuminated backlight makes it easy to type in low-light conditions, and the full-sized layout includes a convenient number pad for enhanced productivity.

SMART MEDIA KNOB
Streamline your workflow with the Epic Wireless Keyboard's versatile media knob. Quickly control your audio without the need for a mouse, boosting your productivity and saving valuable time.

RECHARGEABLE BATTERY
Say goodbye to the hassle of replacing batteries. The Epic Wireless Keyboard features a long-lasting rechargeable battery that provides over a year of use on a single charge, ensuring uninterrupted typing sessions and reducing waste.

DESKTOP APP & PROGRAMMABLE SHORTCUT KEYS
Personalize your typing experience with the Epic Mechanical Keyboard desktop app. Save up to three unique profiles and program hotkeys for shortcuts to your favorite functions within any application,
