

Epic Mouse 2 Black

255193

The Epic Mouse 2 delivers pro-level performance, increasing productivity with serious functionality. With its Infinity + Tilt scroll spreadsheets will beg for mercy, creative software will bend to your will, and lengthy websites will be a breeze. Brilliantly engineered with an ergonomic and silent click eight-button design, it’s an epic addition to any work setup. Leverage The Lab app to customize button function and save up to three user profiles so switching is as easy as clicking send.

PRODUCT DETAILS
