PRODUCT DETAILS

Meant for a mixture of travels, this carry on is made with a durable 100% recycled waxed canvas and features a multi-purpose compression packing cube.

- Made with bluesign® approved, 100% recycled polyester fabrics, a waxed canvas with a PFC free durable water-resistant coating
- Removable compression packing cube holds clothes securely in place, can be used as a day bag or to separate dirty clothes, and is TPU-lined, making it easy to clean
- Oversized rear wheels effortlessly glide over rough terrain, and smaller, recessed front wheels increase interior space
- Smooth and easy pull due to the patented V-tubing telescoping handle
- The front pocket allows you to stash your jacket while on the go
- Zippered exterior pocket provides quick access to keys, wallet, and smaller items
- Interior mesh pocket divides the main compartment to keep items separated during travel
- Durable exoskeleton with a 50% recycled polycarbonate back panel helps the bag to absorb the impact of travel
- Exterior zipper sliders can be locked together for added security (locks sold separately)
- Complies with carry on requirements for most airlines
