

# GoPro Smart Remote 'The Remote'

249449

This tough waterproof remote uses Bluetooth® Low Energy for maximum battery life and easy pairing with your camera, plus a large high-resolution display.

Style

**HERO8/9 + MAX**

## PRODUCT DETAILS

### Smart Remote

Waterproof, wearable and mountable, The Remote is made tough for any adventure. It uses Bluetooth® Low Energy for maximum battery life and easy pairing with your camera. The large high-resolution display lets you check your camera's status with a quick glance. Glove-friendly, tactile buttons make recording, changing presets and switching camera functions a snap. Includes a handy wrist strap that also lets you attach The Remote to your gear.

### Features

- Bluetooth® Low Energy improves the battery life of both The Remote and the camera that it's connected to while also improving pairing over previous GoPro remotes
- Large high-resolution screen makes it easy to check camera status
- Large tactile buttons give you easy control of camera functions
- Rugged design is wearable, mountable and waterproof to 16ft (5m)
- Range up to 196ft (60m) in optimal conditions
- Controls up to 5 cameras at a time
- Includes a convenient wrist strap that also lets you attach The Remote to grips, handle bars and gear

### What's Included

- The Remote
- Wrist Strap
- USB Charging Cable

### Compatibility

HERO9 Black, HERO8 Black, MAX
