Motif II A.N.C. TWS Black

252751

Get loud on the go. Motif II A.N.C. offers huge sound, in a tiny package. Its sleek charging case packs a punch by powering your headphones with 30 hours playtime to be unleashed whenever you want. With active noise cancellation, block out those crowded train rides and rowdy streets to dive into your music without distraction. For a quick conversation, switch over to transparency mode and let the outside in. As well as an added microphone, Motif II A.N.C. comes ready for BT LE Audio, so you'll be better connected than ever before. For an even more customised listening experience, download the Marshall app. With Motif II A.N.C., you're always ready for the road.

PRODUCT DETAILS

MARSHALL SIGNATURE SOUND

Don't leave great music behind. With Motif II A.N.C. you can take Marshall signature sound with you, wherever you go. Precision engineered to give you clear and balanced sound no matter how much you crank up the volume, Motif II A.N.C. is built so you don't have to hold back. Experience concert quality sound whenever.

CANCEL THE NOISE, AMPLIFY THE SOUND

Get locked into the sounds of your choice with improved active noise cancellation and use the app to amplify your playlist, so that you can savour the music that matters to you, uninterrupted. For a quick conversation, switch seamlessly into transparency mode to let the outside back in and stay in tune with your surroundings.

RELIABLE PLAYTIME

Motif II A.N.C. delivers 10 more hours of playtime than its predecessor. With active noise cancellation and the charge case, get up to 30 hours total, and 6 hours of playtime on their own. Just place your earbuds in the case for an extra boost.

ENHANCED CONNECTIVITY WITH LE AUDIO

Never let anything get in the way of your music with Motif II A.N.C. It's BT LE Audioready to ensure the best possible connection, so you'll never miss a beat. This future-proof technology delivers higher quality audio, while increasing the streaming range and improving audio sync, for a better connection when watching video. Feel secure knowing that when this next-generation Bluetooth technology is released, your headphones can more than handle it.

A MORE SUSTAINABLE APPROACH
Motif II A.N.C. comes with improved battery preservation, while its case and buds are made from 70% post-consumer recycled plastic, including used electronics, water bottles and automotive light covers.

ON THE GO CHARGING
These supercharged headphones deliver 6 hours of wireless playtime. Add the charging case to the mix and you get 30 hours of listening time on the move. Switch to quick charge when you're in a hurry, for 1-hour extra playtime in 15 minutes. Wireless charging also makes it even easier to charge and go. Don't wait, start listening.

- INCLUDED IN THE BOX
- Motif II A.N.C. true wireless headphones
 - Charging case
 - USB-C charging cable
 - User manual and legal and safety information
