momcozy

Momcozy 2-in-1 Electric Baby Swing

256975

The Momcozy Electric Baby Swing gently mimics the way you cradle and soothe your baby, helping them stay calm and content—so you can enjoy a much-needed break. It features 4 parent-inspired swing motions and 4 adjustable speeds to match your little one's mood and pace, all supported by a dual-arm structure combined with a sturdy base for added safety and stability—unlike other infant swings that wobble. The comfortable, breathable seat with 2 recline positions creates a cozy space for your baby to rest or explore their surroundings, while two included plush toys and built-in lullabies offer even more ways to engage and soothe.

PRODUCT DETAILS

Features:

- **Dual-Arm Support System** - Unlike traditional newborn swings with a single side arm, this swing uses a dual-arm support system—one in the front and one in the rear—to ensure the seat stays securely anchored during every motion.
- **Parent-Inspired Swing Motions** - Offers 4 swing motions and 4 adjustable swing speeds, mimicking the natural movements and rhythms of your arms to keep baby happy and content.
- **Soothing Sounds & Plush Toys** - Soothe and entertain your baby while supporting sensory development with 8 gentle sounds and 2 included plush toys.
- **Comfortable Seat** - Features a spine-healthy contour, breathable mesh fabric, and 2 recline positions to create a cozy space that your little one loves to stay in.
- **2-in-1 Design** - Seamlessly converts from a newborn swing to a cozy stationary seat for children up to 66 lbs.
- **Easy to Clean** - The seat cover zips off easily and is machine washable for hassle-free cleanup.

Safety Warning:
The maximum weight and age limit for swing mode is 20 pounds or 9 months.

Charging Note:
Do not plug in power when the product is in stationary seat mode.
