

2-Port Car Charger with QC 3.0 30W Slv

245708

One of the industry's smallest ever USB car chargers, featuring two USB ports and a status LED.

Colour

PRODUCT DETAILS

Compact Size
This lightweight and compact car charger offers convenient access, while its unobtrusive, low-profile design won’t get in the way of other controls to help ensure safety while driving.

Auto-On Function
It will turn itself on automatically when connected to compatible devices.

QC 3.0 Technology
Built with the most advanced QC 3.0 chip possible, your devices maintain optimal charging speeds for lightning-fast results that also save on energy costs.

Dual USB Ports
Dual smart USP ports quickly and easily identify your mobile devices, to provide optimal charging efficiency.
