PRODUCT DETAILS

Meet the Silk'n Bright, a game-changing facial brush designed with long, ultra-soft silicone studs that completely transform your daily skincare routine. It effortlessly lifts away deep-seated dirt, excess oil, and stubborn makeup residue, leaving your skin deeply purified, radiant, and incredibly fresh.

Why the Silk'n Bright Changes Everything:

- 5x More Effective Than Manual Cleansing: Engineered with high-grade, non-porous silicone that naturally resists bacterial buildup, this brush ensures an ultra-hygienic, breakout-free cleansing routine day after day.
- Sonic Vibration & Pulsation: Features 7 customizable speed settings generating up to 8,000 high-frequency vibrations per minute, allowing you to easily scale the intensity to suit your skin's daily sensitivity.
- Dual-Zone Cleansing & Massage: Use the versatile textured front for precise deep-pore cleansing, and flip to the smooth, ridged reverse side to relax facial muscles and dramatically enhance serum absorption.
- Smart Interval Timer: Equipped with an integrated 30-second zone timer that gently prompts you when it is time to move to the next area of your face, ensuring a perfectly balanced, even treatment.
- 100% Waterproof Design: Fully sealed and waterproof, making it the perfect companion for a convenient, time-saving cleanse right in the shower or during a relaxing bath.
