Aiper Surfer S2 Cordless robotic pool skimmer

254503

The Aiper Surfer S2 is a solar-powered pool skimmer designed for continuous, 24/7 automatic pool cleaning, utilizing SolarSeek™ technology for energy-efficient operation and minimal maintenance. This smart pool skimmer features advanced DebrisGuard™ technology, dual sensors for obstacle avoidance, and a fine 150µm filter, ensuring comprehensive debris removal and clean pool water. With a built-in chlorine dispenser, app control, and a large-capacity, easy-to-empty basket, the Surfer S2 offers unparalleled convenience and a consistently pristine pool environment.

PRODUCT DETAILS

Effortless, 24/7 Pool Maintenance

The Aiper Surfer S2 redefines pool surface cleaning with its intelligent, solar-powered design. Utilizing SolarSeek™ Technology, this skimmer operates continuously, harnessing solar energy to maintain a pristine pool surface with minimal user intervention. Experience the convenience of round-the-clock cleaning, ensuring your pool is always ready for enjoyment.

Advanced Cleaning Technology for Comprehensive Debris Removal

Equipped with the DebrisGuard™ System, the Surfer S2 effectively captures and removes debris of all sizes. Dual optical sensors enable smart obstacle avoidance, ensuring seamless navigation across the pool surface. A long-lasting battery provides up to 35 hours of operation on a single charge, and salt-chlorine tolerant motors ensure durability in diverse pool environments. The 150µm fine filter effectively traps even the smallest particles, delivering superior cleaning results.

Superior Debris Collection and Simplified Maintenance

The Surfer S2 features a 4L enclosed pull-out debris basket with an innovative side-drawer design, preventing messy splashes during emptying. The large capacity of the basket reduces the frequency of maintenance, and its easy-to-remove design allows for quick, hassle-free cleaning.

Integrated Chlorine Dispenser for Enhanced Water Quality

For healthier and safer swimming, the Surfer S2 incorporates a built-in chlorine dispenser. Capable of holding 3-inch chlorine tablets, it provides effortless water disinfection. The adjustable flow rate control ensures optimal chlorine levels, enhancing water quality and creating a more enjoyable swimming experience.

Smart App Control for Ultimate Convenience and Monitoring

The Surfer S2 seamlessly integrates with the Aiper App, providing users with complete control and monitoring capabilities. Direct the skimmer to specific areas, monitor real-time battery levels, review cleaning history, and track operational status. Enjoy the peace of mind that comes with a consistently clean and healthy pool, all managed through the convenience of your smartphone.

Specs

Product Attributes

EAN:	6977676340188
Manufacturer number:	S2-GRY-EU
Product weight:	5.7 kilograms

Technical specifications

Pool types:	Any
Pool floor types:	Water surface
Filter fineness:	150 m
Filter capacity:	4
Max diving depth:	0.15
Operation temperature:	10-40
Battery life:	35+ Hours on a Single Charge 24/7 Operation with Solar Recharging
Battery type:	10.8V 5200mAh (56.16Wh) Battery
Charging time (0 - 100%):	4.5
IP classification:	IPX8
App-controlled:	true

Dimensions and Weight

Product height:	23.8
Product width:	47.2
Product length:	54
Product weight:	8.7

Energy Management

Input voltage:	100-240
