

Swiss Nano 6001 Light

254170

Compact size meets great ease of use. The super light professional hairdryer with its powerful PM-Pro motor is only 17 cm long for great handling comfort.

PRODUCT DETAILS

The Swiss Nano 6001 Light combines professional drying performance with a minimum weight and practical dimensions for convenient use and space-saving storage. The hairdryer with ergonomic design fits comfortably in the hand and scores points for ease of use with easy-to-reach switches for the temperature and fan settings on the side of the handle. The styling result delights hairdressers and private users. Thanks to the ionic care effect, the hair is shiny and well-groomed after drying.
