PRODUCT DETAILS

Use different capsules and espresso grounds

Volo Multi Mini comes with three adapters compatible with Nespresso capsules* and Dolce Gusto capsules, as well as espresso pre grounds. This gives you the freedom and flexibility to choose between your favorite coffee capsules and your own espresso for the ultimate coffee experience.

Capsule adapters for Volo coffee machines are developed and tested by Wilfa to be compatible with Nespresso®* and Dolce Gusto®* capsules.

* The trademarks belong to third parties with no affiliation to Wilfa AS. Not compatible with Nespresso Vertuo capsules.

High temperature every time

Enjoy a warm and tasty cup of hot espresso with a temperature over 88 degrees, making it one of the hottest on the market. The high temperature helps to extract maximum flavors.

Compact design

Volo Multi Mini is designed to fit on any kitchen countertop with its compact size, W27xD11xH26 cm. This makes the coffee machine perfect for a small student kitchen, a cottage, for those who want more space on the kitchen counter, or for those who simply want a smaller coffee machine.

Adjustable coffee volume and preset cup sizes

With the Volo Multi Mini, you can adjust the coffee volume between 25-250 ml, giving you unique and personal control over the strength and amount of your coffee. With three preset cup sizes – espresso,

lungo, and grande – you can easily choose your favorite. Whether you want a quick espresso or a large cup of coffee, Volo Multi Mini will deliver according to your preferences.

Easy refilling with removable water tank

With a 0.8-liter removable water tank, it is easy to refill with fresh water directly from the tap. The water tank is designed for easy handling and cleaning.

Easy to clean

Volo Multi Mini is designed to be easy to clean and requires minimal maintenance. All parts are easily accessible and can be quickly taken apart for cleaning. To ensure that your Volo Capsule Mini continues to deliver perfect coffee, we recommend regular descaling and cleaning. We offer descaling agents and cleaning products specially designed for your coffee machine, you can find them
