PRODUCT DETAILS

Transform your kitchen into a personalised ice cream parlour with one of the best ice cream makers on the market - The Cuisinart Soft Serve Ice-Cream Machine - the ultimate tool for creating delicious homemade treats for any occasion. With its user-friendly, fully automatic operation, you can easily make large batches of soft serve ice cream, gelato, sorbet, or frozen yoghurt in just 20 minutes. Enjoy total control over ingredients with no additives or preservatives, and impress your friends and family with your homemade creations.

With a simple one-button operation, pre-freeze the bowl overnight, pour in your mixture, and let the ice

cream machine do the work for you. The pull-down handle allows for easy dispensing into cones or bowls with an authentic soft serve swirl. Experiment with creative seasonal flavours and enjoy the convenience of quick dessert preparation with no need for ice, salt, or additives.

Top your soft serve using the handy built-in dispensers, where you can store your favourite toppings like chocolate chips, nuts, or sprinkles, or use the 'keep warm' plate for warming sauces like hot fudge chocolate.

With a 1.42 litre capacity bowl, this ice cream maker is capable of serving 6 portions, so there's plenty of soft serve ice cream to go around! The practical fold-down cone holder is ideal for enjoying ice cream on the go, or when not in use, it conveniently folds away for effortless storage. Simple to maintain and store, don't worry about the hassle of cleaning after indulging in your favourite treats, its removable parts allow for easy cleaning with warm, soapy water.

This is the only home Ice Cream Machine that will truly impress any guest!
