

Wilfa Squeezy Centrifugal Juicer

256438

Boost your daily vitamins with the Wilfa Squeezy Juicer. Featuring a 400W motor, 2 speeds, and easy-clean parts for fresh, effortless juice every single day.

PRODUCT DETAILS

For anyone who enjoys fresh juice

The Wilfa Squeezy stainless steel juicer processes fruit and vegetables quickly, cleanly, and reliably. Ideal for your daily vitamin boost—from apples to celery to beetroot.

Simple & well-designed

The electric juicer is easy to use and features two speed settings: a low speed for soft fruits and vegetables and a high speed for harder ingredients. This ensures the best results from every fruit.

Quick fresh juice

With 400 watts of power and a 65 mm feed chute, even larger pieces can be processed effortlessly. The 450 ml juice cup and 1.5 liter pulp container provide enough capacity for multiple servings at once.

Easy to clean

All parts can be easily disassembled and cleaned individually - quickly, hygienically, and without residue.

Safe to use

A locking mechanism ensures a secure hold during juicing. The stainless steel housing is robust, durable, and fits seamlessly into any kitchen.

What's in the box?

- Juicer incl.
- 450 ml juice cup
- Food pusher
- Manual
