Momcozy Breastmilk Cooler Bag

254794

The Momcozy Cooler Bag LG001-GR00NB-A is designed to keep your items at the desired temperature, whether hot or cold, for up to 5 hours without the need for an ice pack. This versatile bag features two-layer compartments that can be transformed into a single, tall compartment to accommodate larger items like thermos kettles. It also provides organized storage for smaller items such as diapers and bottles.

PRODUCT DETAILS

Detachable Insulated Compartment

Easily convert your double baby bottle bag into a wine carrier by removing the insulated compartment.

Multi-Uses

This bag serves as a breastmilk cooler bag, picnic bag, or wine carrier, catering to different needs and occasions. Ideal for work, picnics, car trips, camping, or for pumping moms.

Full Insulated Waterproof 600D Peva Materials

Made from high-quality waterproof 600D Peva material, this bag is safe, non-toxic, and effectively keeps bottles warm or cold while ensuring the safety of your baby's food. For optimal insulation, pair it with hot or cold ice packs.

Detachable Buckle & Shoulder Strap

The detachable buckle is designed for convenient stroller attachment and is compatible with popular stroller brands.

Perfect for Bottles

This milk storage bag fits most popular brands of milk bottles. Note: For bottles taller than 6 inches, please remove the compartment.
