Perfectly organized

The padded camera compartment fits any combination of camera and drone equipment and includes a pouch for tablets with up to 13 inches. The padded dividers are fully-adjustable for a custom fit. In the top compartment, you will find versatile bulk storage options for personal items. The side pockets securely hold a water bottle or tripod. Store small items in the quick-access-front-pocket for your convenience. Camera equipment is accessed from the rear, which provides an enhanced level of security. With mélange fabric, copper touchpoints and trim details, the look is perfect for modern professionals.
