HOVERAir

HOVERAir AQUA Wetsuit

256618

Turn your HOVERAir AQUA into a versatile action camera with a wetsuit built for life on the water. Designed for quick mounting to an adhesive base, it easily attaches to surfboards, paddleboards, and more—so you can capture immersive POV shots from every angle. The soft-shell construction also adds an extra layer of protection, helping safeguard your device during transport and everyday use.
