

GoView CLOSR adapter for smartphones

251791

With the GOVIEW® CLOSR™ you can share your discoveries with your friends, family and followers: with our highquality and universal smartphone adapter you can connect your smartphone to all GOVIEW® ZOOMR™ products.

PRODUCT DETAILS

With the GOVIEW® CLOSR™ you can share your discoveries with your friends, family and followers: with our highquality and universal smartphone adapter you can connect your smartphone to all GOVIEW® ZOOMR™ products. And with one click, you can save the details of your world to your media library.

Each of our GOVIEW® ZOOMR™ products comes with a GOVIEW® CLOSR™ - but thanks to the three universal adapter rings, it is also compatible with many other products and can be used with almost all popular smartphones thanks to its extendable clamp. Whether you're travelling, playing sports or outdoors, share your experiences digitally using the hashtag #magnifyyourlife.
