

Wilfa Belgian waffle maker

251930

Gaufres allows you to make two Belgian waffles at the same time. You set the temperature as desired and the indicator light will show you when your Belgian waffles are ready. The waffles are extra good with a little syrup, chocolate and ice cream, or top with whipped cream and berries.

PRODUCT DETAILS

Stylish Design

The Wilfa Belgian Waffle Maker has a stylish design, and gives you the opportunity to bake two Belgian waffles at the same time.

Temperature

You can adjust your own temperature and with the help of indicator lights you get the perfect result.

Double Release Liner

In addition, the belgian waffle maker has a double release liner, which makes the waffles easy to take out of the iron, and cleaning is easy.

Storage

The Wilfa Belgian Waffle Maker can be stored upright so that it takes up minimal space.
