

Wilfa Tradition Waffle maker, Silver

251929

The Wilfa Tradition single waffle iron helps you prepare delicious waffles just the way you like them, from golden brown to dark and crispy. Double non-stick coating, an adjustable thermostat and an indicator light ensure perfect results, every time.

PRODUCT DETAILS

The Wilfa Tradition single waffle iron is a user-friendly appliance that is always ready to make delicious waffles. The waffle iron makes waffles with five hearts, has double non-stick coating to ensure waffles don't get stuck, and has five settings. An indicator light lets you know when the waffle is ready.

Delicious results

Special wires in the hotplates keep the waffles golden and crispy, while air valves ensure the waffles fry perfectly.

Non-stick coating

A special non-stick coating makes it easy to get the waffle out of the waffle iron when it's ready. The coating also ensures that the iron lasts longer.

Thermostat

The waffle iron has an advanced and adjustable thermostat.

Indicator light

The indicator light tells you when the waffle is ready.

Highlights

- 750 W
- Adjustable thermostat
- Non-stick coating for easy waffle release
- Serving Size / Shape : 5 hearts - Ø17cm
- Indicator light
- Model name: SWA-517S
