

Dangbei

Dangbei floor mount for projectors, 10-90 cm adjustable and 360° turnable

252770

The Dangbei floor stand is incredibly versatile with a standard 1/4" screw, adjustable height (10-90cm), and a 360° rotation gimbal. Sturdy at 3.55kg and designed with wire-concealing details, it's a sleek addition to any setting. Compatible with all Dangbei and Emotn projectors, and more.

PRODUCT DETAILS

Versatile Compatibility

Featuring a standard 1/4" screw, the floor stand is compatible not only with Dangbei projectors but also with various projectors, cameras, lights, and more.

Adjustable Height

With 2+1 support rods, the height can be adjusted between 3.9-35.4 inches/10-90cm, catering to all projection needs.

360° Free Rotation

Enjoy the convenience of a 360° rotation gimbal, allowing easy adjustments for reliable and stable projections from any angle.

Stable Chassis

The sturdy chassis weighs 3.55kg/7.82 pounds and features three curved silicone strips at the bottom, preventing overturning.

Sleek and Wire-Concealing

This black stand incorporates unique details that cleverly hide wires, making it an ideal addition to any room's decor.
