PRODUCT DETAILS

Description
Meet the GO Work wireless on-ear headset, perfect for everyday office life. Enjoy clear calls and video calls – and never forget to un-mute with the mute-indicator-light at the end of the boom mic. The powerful boom mic can be rotated up, when you're focused independently or down to allow colleagues to hear just you (not the dog barking or the doorbell). Transition from mobile to laptop without touching any settings and enjoy GO Work wired while stationary at your computer or wireless for more mobility to multitask.

Features

- Long 45+ hours of playtime with Bluetooth multipoint for mobile/PC/Mac, or plug-in to your PC or Mac directly with included cable.
- Multipoint technology allows you to connect to any 2 devices simultaneously and remember up to 10 devices.
- C3 Calling uses dual microphones for crystal clear phone calls
- Rotating boom microphone includes red LED light as a quick mute indicator
- Easy multi-functional controls for volume, tracks, play/pause, and answering calls
- Choose between 2 EQ settings: Voice or Music mode

Includes:

- GO Work Wireless On-Ear Headset
- Type-C Charging Cable
- Type-C to 3.5mm AUX Cable for Wired Use
