PRODUCT DETAILS

VOLUME SAFE LISTENING
JBuddies ensure safe-volume control, rigorously tested with built-in regulators capping at 85 dB to protect young ears. Moreover, with an adaptable Volume Safe setting up to 95 dB for louder environments, these headphones prioritize your child's hearing health while delivering uninterrupted entertainment with 65+ hours of wireless playtime.

ON-EAR COMFORT
With an on-ear design featuring Cloud Foam Comfort™ Cushions and a Cloud Foam headband, the JBuddies offer all-day comfort for ages from grade school tykes to teens. They'll be their favorite wearable accessory.

WIRED MODE
Connect wirelessly to a device for effortless headphone use or switch to wired mode by plugging into the USB-C port—perfect for connecting to a computer when Bluetooth isn't available, or the battery is running low.

WIRELESS SHARE MODE
Utilize Share Wireless mode to allow two kids to enjoy their favorite tunes or movies together from a single device (must be two JBuddies Studio 2 Wireless models). Watch a movie together at home, on a plane or car ride.

EASY CONTROLS
For easy kid-friendly use, all the controls are located on the bottom left earcup. Their little fingers will be able to play, pause, volume up or down, track forward and track back without any frustration.
