PRODUCT DETAILS

The Original is a stylish Nespresso® compatible coffee capsule machine with premium stainless steel body, a minimalistic Scandinavian design, and a polished chrome finish. The machine uses a consistent temperature, and precise water usage for a perfect extraction of flavors and aromas. It's the ideal blend of style and functionality.

Designed with longevity and sustainability in mind, the coffee machine is fully repairable. In the rare even that any issues arise which cannot be repaired immediately, the machine will be sent to a Sjöstrand affiliated workshop for repair and meticulous quality control to ensure a continued coffee brewing experience.
