

Tool adapter for Wilfa Probaker

252256

The Wilfa Probaker tool adapter allows for the use of most Kenwood Twist kitchen aid accessories, such as KAT002ME, KAX950ME, and KAX980ME. It features easy mounting, quick accessory attachment, and a 90 degree angle for ergonomic placement and accessibility.

PRODUCT DETAILS

Compatible with most Kenwood Twist accessories

With this adapter you're able to use most of Kenwoods kitchen aid accessories, meaning your Probaker isn't just an amazing standmixer: it is also a versatile kitchen aid. With the adapter you're able to use most accessories, like KAT002ME, KAX950ME, KAX980ME and more.

90 degree angle

The 90 degree angle mounting gives you an ergonomic placement for your tools and the height becomes more accessible for your accessories.

Features

- Easy to mount
- Quick and easy accessory attachment
- Fits most newer versions of Kenwood Twist
- 90 degree angle
